ARTERIAL PAVEMENT STRIPING

ROCKFORD –Effective July 18, 2013

Beginning the week of 7/22/2013 through 7/26/2013, the Public Works Department will perform arterial pavement striping on the following roadways:

Auburn St. from Springfield Ave. to the Rock River
Bennington Rd. from Latham St. to N. Main St.
Cherry St. from Court St. to Rockton Ave.
Court St. from W. State St. to Auburn St.
Custer Ave. from Kilburn Ave. to N. Main St.
Elmwood Rd. from N. Main St. east to the end
Fulton St. from Huffman St. to N Main St.
Glenwood Ave. from Kilburn Ave. to Rockton Ave.
Halsted Rd. from Central Ave. to N. Main St.
Horace St. from Preston St. to W. State St.
Huffman Ave. from Riverside Blvd. to Bell St.
Johnston St. from Elm St. to Auburn St.
Kilburn St. from Central Ave. to W. State St.
King/Light St. from N. Main St. to 1 Block each way
Locust St. from N. Main St. to court St.
N. Main from Elmwood Rd. to Riverside Blvd.
Reynolds St. from N. Main St. to 1 Block West
Ridge Ave. from Halsted Rd. to Whitman St.
Riverbluff from N. Main St. to Normandy Ave.
Riverside Blvd. from Central Ave. to the River
Rockton Ave. from W. State. St to Elmwood Rd.
Shepherd Tr. From N. Main St. to 1 Block East

Willoughby from N. Main St. to Harlem Blvd.

The operation is dependent on existing weather conditions and is subject to change accordingly.

Arterial pavement striping will continue during the months of July thru August.

Citizens are urged to approach striping crews at a reduced speed that is below posted speed limits. Proceed with caution traveling into the lane adjacent to the pavement striper and maintain a safe distance. Changing lanes in close proximity to the pavement striping crew is not recommended. Recent changes in EPA Regulations have mandated that manufacturers remove solvent based driers from striping paint, thus creating extended drying times. Your cooperation is appreciated.
